How to get access to the MCP Year 1 Sem 2 eLearning site and submit assignment online.

Select “Sydney eLearning” from the Quick links

2. Login using your Unikey and your Unikey password.

4. You have now entered the MCP Year 1 Sem 2 eLearning site.

5. Select “Content” from the left-hand menu to navigate to the main page of the site.

On the Content page you will find a link to the MCP Handbook, Student rep information and material that will support the assignment submission.

One week before the assignment is due the assignment submission folder will become available for the online submission.
