USCMA Privacy Policy
24 February 2016

USCMA Privacy Policy
This privacy policy discloses the privacy practices for the University of Sydney Alumni Chapter. This privacy policy applies solely to information collected by our online membership database at http://eepurl.com/bRvdhP. It will notify you of the following:

1. What personally identifiable information is collected from you through the web site, how it is used and with whom it may be shared.
2. What choices are available to you regarding the use of your data.
3. The security procedures in place to protect the misuse of your information.
4. How you can correct any inaccuracies in the information.

Information Collection, Use, and Sharing
We are the sole owners of the information collected on this site. We only have access to/collect information that you voluntarily give us via email or other direct contact from you. We will not sell or rent this information to anyone. We will use your information to communicate with you and to respond to you for USCMA related purposes only. We will not share your information with any third party outside of our organization, other than as necessary to function as a membership organisation, e.g. to send you emails about our events.

Your Access to and Control Over Information
You may opt out of any future contacts from us at any time by selecting the unsubscribe option which is located on all USCMA announcements sent to you.

You may view and update your membership details by selecting the link provided on all USCMA announcements sent to you.

You may express any concerns you have about our use of your data or request assistance in unsubscribing or updating your information by contacting the Membership Officer, currently Eric Winters (eric@chocksaway.com.au).

Security
We take precautions to protect your information. When you submit sensitive information via our online database, your information is protected both online and offline.

Wherever we collect sensitive information that information is encrypted and transmitted to us in a secure way. You can verify this by looking for a closed lock icon at the bottom of your web browser, or looking for "https" at the beginning of the address of the web page.

Updates
Our Privacy Policy may change from time to time and all updates will be posted on this page.
