

**EXERCISE 2**

**NAME THAT DRUG AND WHAT IT DOES (PART 1)**

|    | <b>DRUG</b>   | <b>NAME/BRAND NAMES</b> | <b>CATEGORY</b> | <b>USED FOR WHAT?</b> | <b>SIDE EFFECTS?</b> |
|----|---|-------------------------|-----------------|-----------------------|----------------------|
| 1. |    |                         |                 |                       |                      |
| 2. |    |                         |                 |                       |                      |
| 3. |   |                         |                 |                       |                      |
| 4. |  |                         |                 |                       |                      |

**EXERCISE 2**

**NAME THAT DRUG AND WHAT IT DOES (PART 1)**

|    | DRUG  | NAME/BRAND NAMES | CATEGORY | USED FOR WHAT? | SIDE EFFECTS? |
|----|---|------------------|----------|----------------|---------------|
| 5. |    |                  |          |                |               |
| 6. |    |                  |          |                |               |
| 7. |   |                  |          |                |               |
| 8. |  |                  |          |                |               |

**EXERCISE 2**

**NAME THAT DRUG AND WHAT IT DOES (PART 1)**

|     | DRUG  | NAME/BRAND NAMES | CATEGORY | USED FOR WHAT? | SIDE EFFECTS? |
|-----|---|------------------|----------|----------------|---------------|
| 9.  |    |                  |          |                |               |
| 10. |    |                  |          |                |               |
| 11. |   |                  |          |                |               |
| 12. |  |                  |          |                |               |

**EXERCISE 2**

**NAME THAT DRUG AND WHAT IT DOES (PART 1)**

|     | <b>DRUG</b>   | <b>NAME/BRAND NAMES</b> | <b>CATEGORY</b> | <b>USED FOR WHAT?</b> | <b>SIDE EFFECTS?</b> |
|-----|---|-------------------------|-----------------|-----------------------|----------------------|
| 13. |    |                         |                 |                       |                      |
| 14. |    |                         |                 |                       |                      |
| 15. |   |                         |                 |                       |                      |
| 16. |  |                         |                 |                       |                      |

**EXERCISE 2**

**NAME THAT DRUG AND WHAT IT DOES (PART 1)**

|     | DRUG  | NAME/BRAND NAMES | CATEGORY | USED FOR WHAT? | SIDE EFFECTS? |
|-----|---|------------------|----------|----------------|---------------|
| 17. |    |                  |          |                |               |
| 18. |    |                  |          |                |               |
| 19. |    |                  |          |                |               |
| 20. |  |                  |          |                |               |
