

For a **major** in Psychology, the minimum requirement is 48 credit points across Intermediate and Senior Psychology units of study including PSYC (2111 or 2011), PSYC (2112 or 2012), PSYC (2113 or 2013) and PSYC (2114 or 2014). No other Intermediate Psychology units can be counted towards the major. You must complete at least 24 (30 for BPsych) credit points of Senior Psychology for a major. The senior units must include at least one of PSYC3011, 3012, 3013 and 3014. Students who want to be eligible for entry into Honours must also include PSYC3010.

* Note: HPSC3023 Psychology & Psychiatry: History and Philosophy is available for Senior Psychology students and will count towards a major in Psychology. Successful completion of this unit of study is essential for students intending to take the Theoretical Theses option in Psychology Honours.
